## Living Expenses for Both Parties

["How to" Video](#)

[Wages & Deductions](#) | [Wage-Like Income](#) | [Real Estate Expenses](#) | **Living Expenses** | [Income from Assets](#)

[Click here for Alice.](#)

[Click here for Richard.](#)

Click here to enter real estate expenses with each property on the Real Estate Expenses screen (required). If this is X'd, and a party pays rent, create another Real Estate property and enter the rent and other expenses.

Display fields for shared expenses.

Shared percentage for Alice ..... # 50 %

Shared percentage for Richard ..... 50 %

13. **Average monthly expenses:**

	<i>Shared Monthly</i>	<i>Alice Monthly</i>	<i>Richard Monthly</i>
--	---------------------------	--------------------------	----------------------------
